Principal’s Message

Dear Parents

We have now reached the second last week of the 2014 school year. This year has been a very successful one and the various achievements of our students and the staff will be celebrated at the numerous Presentation Day assemblies. We hope to see many parents, relatives and friends in attendance to watch the children receive their awards.

Student Reports

All students will receive their Semester 2 Reports this Friday. The reports are based on ongoing planned assessment tasks as well as teacher professional judgement. The reports will be given to the students in an envelope so please check your child’s bag when they get home. Congratulations to the girls and boys for their efforts and application and thank you to the teaching and administration staff for their hard work in preparing the reports for distribution.

Year 6

Good luck to our Year 6 students who will soon be leaving our school to commence their high school education in 2015. Everyone at Engadine West wishes you well and hopes that the years ahead are full of success. Thank you also to the families who will be leaving the school at the end of this year. Our Year 6 students will enjoy their Farewell this Wednesday 10 December at the St Moritz Room at Engadine Tavern commencing at 6.30pm. A special mention to all the staff and parents who have helped with the preparation for the Farewell.

Talent Quest

As an enjoyable ending to the term, the school has organised a Talent Quest for the students next Monday afternoon. This is a fun event where there are no winners or losers. It is an opportunity for the children to perform in front of their peers.

Have a great week!

Deputy Principals’ Report

Ready for High School
Can you recall what you were most apprehensive about when you started high school? This video of Year 7 students explain why teens shouldn’t be worried about starting high school, and how they can get off to a great start in the first few days.

Choosing School Shoes
Are expensive school shoes the best option for happy feet? Let’s face it. School shoes have never been at the cutting edge of fashion. In fact if you look at what your parents were wearing, the humble school shoe really hasn’t evolved much at all.

Teach Your Kids to be Waterproof
As temperatures rise, the risk of drowning increases too. Review these water-safety tips to help keep your family safe this summer.

Road Safety Reminder for Parents and Carers These Holidays
Remember when walking near roads, on footpaths, near driveways and in car parks always: hold your child’s hand, talk to your child about road safety and point out road safety dangers and differences in new environments.

The best way to keep your child safe on or near the road is to hold their hand. Talk with your child daily about road safety. For further information visit:

Thank You Letter From Mr Bruce Taylor - Bus Driver

Attention: Mr Garry Royston (Principal)

I am a bus driver with Transdev Bus Company and I have been driving a lot of your students on the morning 993 route, (8.20am- 8.47am, Thursdays & Fridays) from their homes to school for the last year and a half.

A new work roster means that this will be the last week driving this run.

I wish to congratulate the school and the students associated with this run on their manners, communication skills and the polite way they treated myself and people older than themselves on my services over the last year and a half. In my six years driving numerous school buses, yours has been the best.

It’s a real credit to the children, their parents and the teachers at your school.

Thursday and Friday morning have been a very enjoyable part of my job run in Engadine and I will miss all those happy faces,

Thanks to all

Regards

Bruce Taylor

**Tum-Tum** looks very horrid and nasty. He has green and white wings. His eyes are brown. His teeth are white. He is not scared of anything and his tummy is pink. He has lots of spots. His scales feel really bumpy. He is bigger than a T-rex. His tummy feels really funny too.

**Lost Property**

There are lost property items being held at the front office including jewellery, glasses, wallets and toys. If you have misplaced any of the above items, please call into the front office to claim your property.

Please ensure that all items of removable clothing are clearly marked with your child’s name. This makes identification and return of lost property to students much easier. Any clothing or items, lunch boxes and drink bottles found in the playground will be placed in lost property boxes in the Basement where parents and students can check for their items. After a reasonable time, unnamed and unclaimed articles will be sent to a local charity.

**Encourage Fair Play**

Sport and games are a great way for children to learn about teamwork, rules, winning, losing as well as providing invaluable physical activity. Parents can encourage fair play by:-

⭐ Emphasising trying hard and having fun, not just winning.
⭐ Cheer and acknowledge good play by both teams.
⭐ Talk about the game not the result.
⭐ Don’t add pressure to children’s sport – it’s their game not yours.

For more information about encouraging fair play go to the NSW Sport and Recreation website [www.dsr.nsw.gov.au](http://www.dsr.nsw.gov.au) or phone 13 13 02.

**Student Banking News**

There may be a slight delay in receiving your chosen Student Banking reward item due to popular demand. We apologise and will forward it to your child as soon as possible.

**Please note:** If you ordered the Swimming Bag or the Projector Cup in the last two weeks, these items will not be received until Term 1 next year.

The Ball is no longer available for this year, however, we have been informed that a new design ball (next year’s theme) will be a reward item in Term 1 2015. Any orders received last week will be placed early next year.

Thank you for continuing to support Student Banking and we hope that you all have a great holiday.
